OVERVIEW / BACKGROUND OF UTM

The main campus of Universiti Teknologi Malaysia (UTM) is located in a strategic area of 1,177 hectares in the Iskandar Development Region, Johor. UTM has another campus known as the UTM Kuala Lumpur, Jalan Semarak with an area of 18 hectares.

The history of UTM began in 1904 as a Treacher Technical School and was later upgraded to a Technical School in 1906. In 1942 the Technical School was upgraded to a Technical College located at High Street (now known as Jalan Bandar) before moving to Jalan Gurney (now known as Jalan Semarak).

In 1972 the Technical College became the National Institute of Technology (ITK). On 1 April 1975, it became a university known as Universiti Teknologi Malaysia.

PHILOSOPHY OF UTM

The divine law of Allah is the foundation for science and technology. UTM strives with total and unified effort to attain excellence in science and technology for universal peace and prosperity in accordance with His will.

VISION OF UTM

To be recognised as a world-class centre of academia and technological excellence.

MISSION OF UTM

To be a leader in the development of human capital and innovative technologies that will contribute to the nation's wealth creation.

MOTTO OF UTM

In The Name of God for Mankind

INTERNATIONAL BUSINESS SCHOOL (IBS) IN BRIEF

The International Business School (IBS) was established in 1997 as a graduate school of management to offer management and economic courses. Formed as a Centre of Excellence at Universiti Teknologi Malaysia (UTM), a premier technology university, IBS is envisioned to lead the education sector in post-graduate management education.

IBS's main focus on technology management was founded upon UTM's core strength in science and technology. Moreover, the establishment of the school fulfills the university's vision i.e. to provide management education and training to engineering students from UTM and other higher learning institutions. IBS provides Master of Business Administration (MBA) with multiple specializations such as Techno-Entrepreneurship, Strategic Management and Healthcare Management, Executive MBA, Doctor of Philosophy, Doctorate of Business Administration (DBA), short course programmes and consulting services.

VISION OF UTM IBS

To be a leading business school in the emerging market and contributing to the global wealth

MISSION OF UTM IBS

UTM-IBS is committed to the development of innovative and entrepreneurial leaders for the global market, who contribute to the advancement of knowledge, and contribute to the societal wealth and well-being.

CORE VALUES

Teamwork, Integrity, Professional

CLIENT CHARTER

We, the staff of UTM International Business School pledge that:

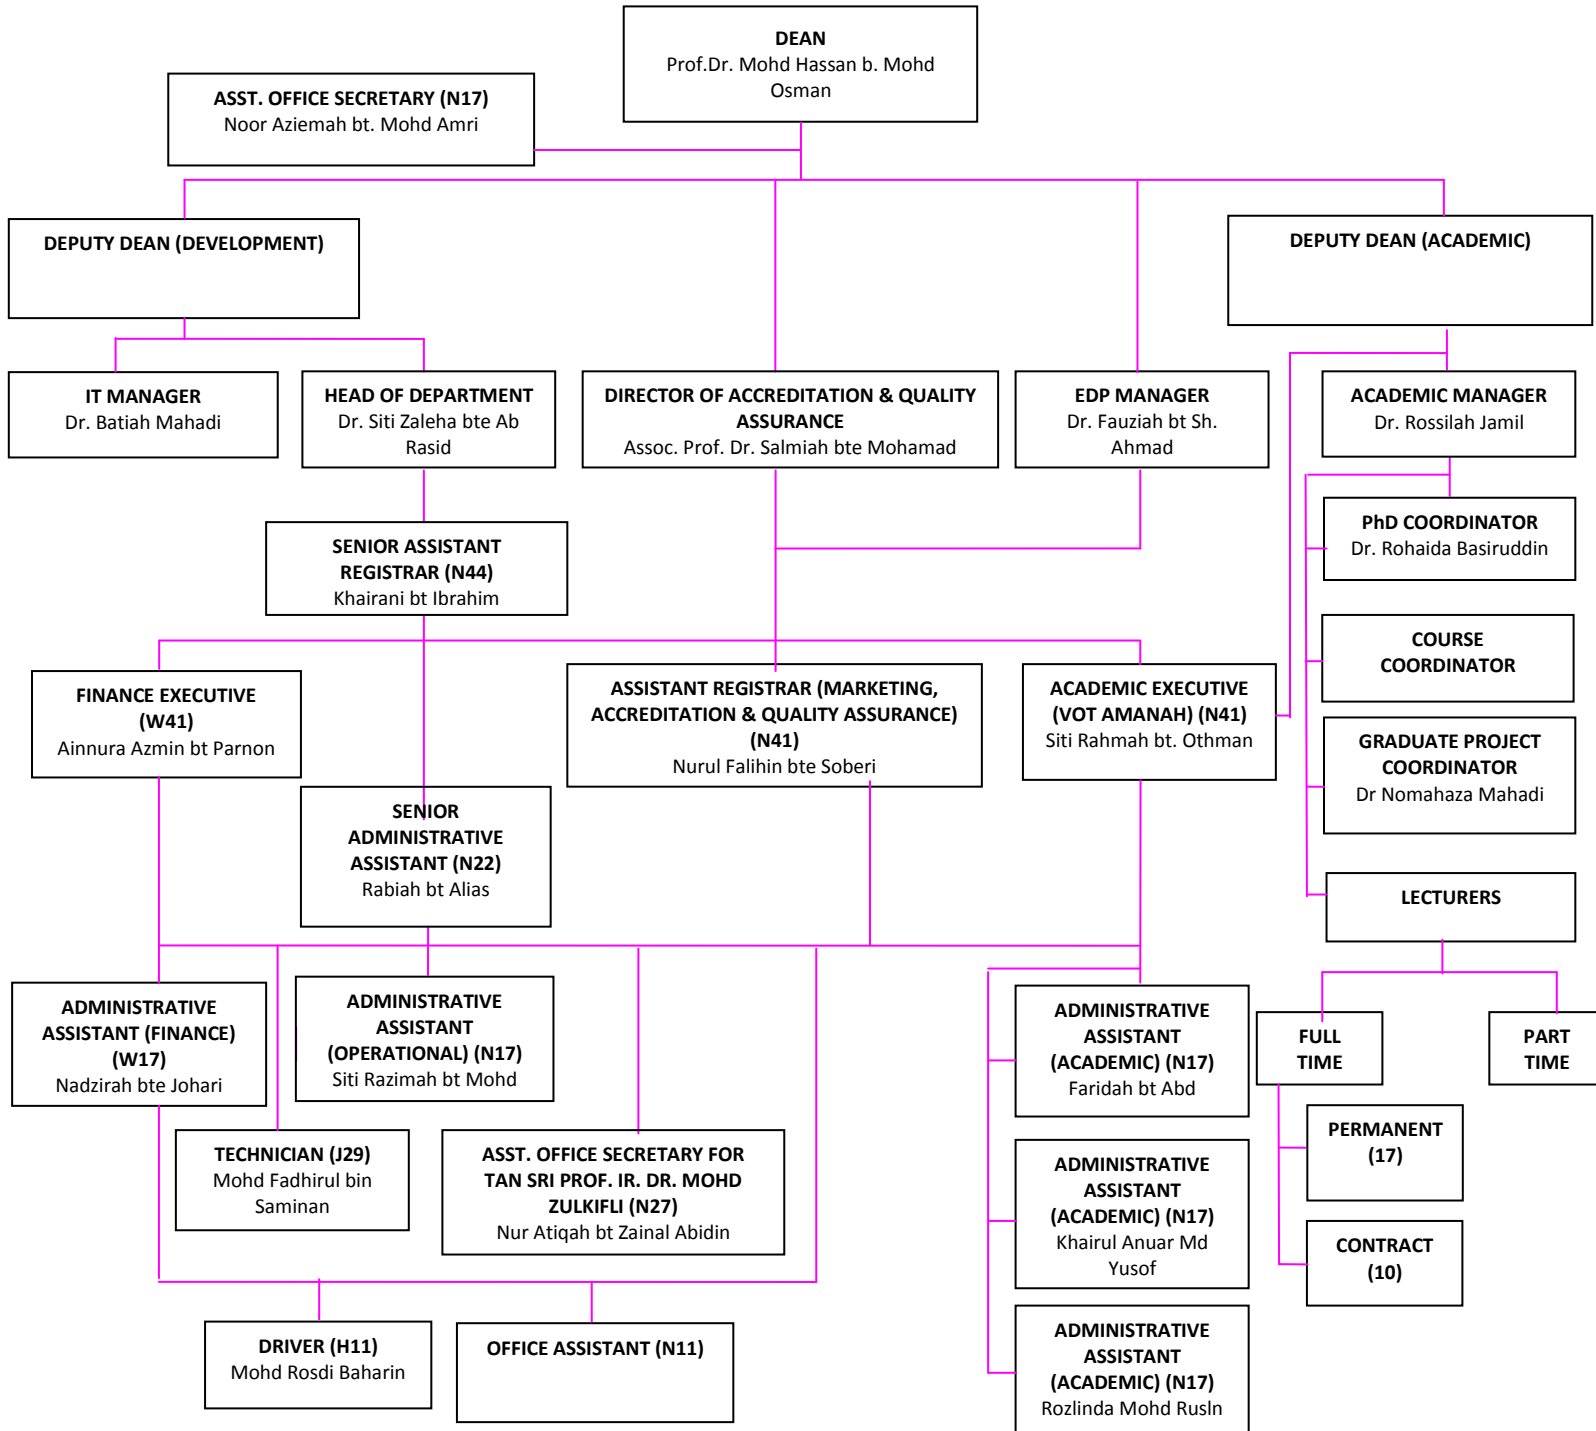

- **Our students will graduate with the competencies to:**
 - ✓ Integrate and generate in-depth relevant knowledge in business administration;
 - ✓ Develop research and problem solving skills relevant to organizations;
 - ✓ Evaluate and react responsibly in social situations involving stakeholders;
 - ✓ Adhere to legal, ethical and professional codes of practice;
 - ✓ Organize and adapt contemporary business knowledge independently and effectively;
 - ✓ Analyze general management concepts and to identify and strategize opportunities for organizations.

- **The Government will receive:**
 - ✓ Competent business management talents that will contribute to the societal wealth and well being

- **The industry will receive:**
 - ✓ Trained professionals with pertinent business management competencies;
 - ✓ Innovative and entrepreneurial leaders for the global market
 - ✓ Constant school commitment with strong core values of teamwork, integrity, professional and customer oriented services

ENROLMENT AND DURATION OF STUDIES

A student may choose to enroll as a full-time or part-time student subject to the study program offered by the faculty.

A student is required to complete his/her study within the duration prescribed as in Table I.

Table I : Duration of Studies

| LEVEL OF STUDY | FULL-TIME | | PART-TIME | |
|-----------------|----------------------------------|-----------------------|----------------------------------|-----------------------|
| | MINIMUM (REGISTERED SEMESTER) | MAXIMUM (SEMESTER) | MINIMUM (REGISTERED SEMESTER) | MAXIMUM (SEMESTER) |
| Master Degree | 2 (1 year) | 6 (3 years) | 4 (2 years) | 8 (4 years) |
| Doctoral Degree | 6 (3 years) | 12 (6 years) | 8 (4 years) | 16 (8 years) |

CHANGE OF PROGRAM OF STUDY, TYPE OF REGISTRATION, AND MODE OF STUDY

A student who intends to change to another academic program must apply to the School of Graduate Studies with the consent of the faculty to which the application is made subject to approval by the University. The change can only be made after the FIRST (1) semester of study and only once during the duration of study. Student’s academic status must not be KG. The change is subject to approval by the University.

A student may apply for conversion of his/her mode of registration from Full-Time to Part-Time or vice-versa. The change must take place before the last TWO (2) semesters of study and can be made only once during the duration of study. Conversion of more than once will only be considered in reasonable circumstances with the consent of the faculty.

If the application for conversion from Full-Time to Part-Time or vice-versa is approved, the remainder duration of study will be determined by the University.

A student can apply to convert to another mode of study from taught course to taught course and research or full research or vice-versa. The change must take place before the last ONE (1) semester of study and can be made only once during the duration of study. Conversion of more than once will only be considered in reasonable circumstances with the consent of the faculty.

WITHDRAWAL (TD) OF A COURSE

A student may withdraw (TD) any course registered in the current semester within the prescribed duration subject to the minimum credits.

A student who withdraws (TD) all of the courses will be given a deferment of the study.

ATTENDANCE

A student is required to attend all classes scheduled for the course including those courses with the status of HW and HS. A student whose attendance is less than 80% will be barred from the final examination. The registration for HS course will be removed if the attendance is less than 80%.

ACADEMIC LOAD

A student must register a minimum of one (1) course in the normal semester.

A full-time student may register a maximum of twenty (20) credits in the normal semester and maximum of ten (10) credits in short semester. A part-time student may register a maximum of twelve (12) credits in the normal semester and six (6) credits in short semester.

Subject to approval by the University, a student in the final semester of the normal duration of study may apply for the exemption.

Exemption of the maximum credit limit to a student who is not in the final semester of the normal duration of study, will only be considered subject to approval by the faculty.

CREDIT EXEMPTION AND TRANSFER

A student may apply for Credit Exemption in the first semester of his/her study by submitting relevant documents. Only courses equivalent to those at UTM with minimum equivalent grade of B will be considered for Credit Exemption.

Credit Exemption will only be included in the Credit Obtained.

A student may apply for Credit Transfer by submitting relevant documents during the period of study. Only courses equivalent to those at UTM with a minimum grade of B- will be considered for Credit Transfer.

Credit Transfer obtained will be included in the Credit Count and Credit Obtained.

The maximum total Credit Exemption and/or Credit Transfer is 50% of the total maximum credits for the taught course components of the study program.

The duration of study for a student who is given Credit Exemption and/or Credit Transfer will be determined by the University.

GRADING SYSTEM

The relationship between marks, grade, points, and achievement levels of a course is given in Table II.

Table II : The relationship between the Marks, Grade, Points, and Achievement Level

| Marks | Grade | Points | Level of Achievement |
|----------|-------|--------|-----------------------|
| 90 - 100 | A+ | 4.00 | <i>Excellent Pass</i> |
| 80 - 89 | A | 4.00 | |
| 75 - 79 | A- | 3.67 | |
| 70 - 74 | B+ | 3.33 | <i>Good Pass</i> |
| 65 - 69 | B | 3.00 | |
| 60 - 64 | B- | 2.67 | <i>Pass</i> |
| 55 - 59 | C+ | 2.33 | <i>Fail</i> |
| 50 - 54 | C | 2.00 | |
| 45 - 49 | C- | 1.67 | |
| 40 - 44 | D+ | 1.33 | |
| 35 - 39 | D | 1.00 | |
| 30 - 34 | D- | 0.67 | |
| 00 - 29 | E | 0.0 | |

ACADEMIC STANDING

The student's academic standing is determined according to the type of study:

- i. Taught Course - determined by CGPA;
- ii. Taught Course and Research - determined by CGPA and research grade;
- iii. Research – determined by research grade.

The academic standing for each semester including short semester for Taught Course programs is determined by GPA as indicated in Table III.

The academic standing for Research programs is determined at the end of Normal Semester using the research grade as shown in Table III.

Table III : The Academic Standing for Postgraduate Studies

| Academic Standing | Taught Course | Research Grade | Condition to Proceed with the Study | Award of the Degree |
|-----------------------|-------------------------|---------------------|-------------------------------------|---------------------|
| Good Pass (KB) | $CGPA \geq 3.00$ | Satisfactory (MM) | Qualified | Qualified |
| Conditional Pass (KS) | $2.67 \leq CGPA < 3.00$ | Unsatisfactory (TM) | Qualified | Not Qualified |
| Fail (KG) | $CGPA < 2.67$ | Fail (GG) | Terminated | Not Qualified |

A student in Research or Taught Course and Research program who obtained Conditional Pass (KS) for two (2) consecutive semesters will be terminated.

A Taught Course student who obtained KS status must achieve KB status before the end of maximum duration of study to qualify for the degree award.

With the approval of the faculty, a taught course student is allowed to repeat the course with the grade B- and below to improve the grade. The course repeated must be registered with UG status. The better grade is considered for the computation GPA and CGPA.

A student must redeem the failed core or compulsory course for graduation. The course must be registered with a status of UM. The course grade will only change if the student passes with a better grade. The better grade is considered for the computation GPA and CGPA.

A student may redeem any failed elective course with another elective course. The new elective course must be registered with a status of UM. The better grade is considered for for the computation GPA and CGPA.

A student can only re-register if his/her academic status is KG in the first (1) semester. A student is allowed re-register (KGDS) only once in the same program throughout his/her study.

DEFERMENT, SUSPENSION AND TERMINATION

A student may apply for deferment of study due to health reasons by submitting a medical report certified by a Medical Officer recognised by the University. In such a case the deferment will not be taken into account in the duration of study. A similar status of deferment may be granted to a student due to reasons of interest to the University or the Nation.

A student may apply for deferment of study due to reasons other than those stated as above. Such deferment will be taken into account in the duration of study. Deferment of more than two (2) consecutive semesters is not allowed. A student who fails to register after deferment of two (2) consecutive semesters may be terminated.

A student who has been granted a deferment will not be qualified to use any facilities provided by the University

A student who violates the University rules and regulations may be terminated or suspended from the study for a certain period of time. In this case, the suspended period is taken into account in the study duration unless decided otherwise by the University

ACADEMIC PROGRAMMES

Master of Business Administration (MBA)

Doctor of Business Administration (DBA)

MASTER OF BUSINESS ADMINISTRATION (MBA)

INTRODUCTION

MBA program at UTM IBS is designed to develop managerial leaders who are equipped with relevant and contemporary knowledge and skills to sustainably manage organizations in relation to diverse stakeholders' interests; possess strategic thinking ability and leadership qualities to steer organizations towards change and developments. Upon completing 10 core foundation courses in business and management, program participants are given the option to concentrate in one of the following concentration:

- i. Without Concentration
- ii. Strategic Management
- iii. Techno-entrepreneurship
- iv. Healthcare Management

COURSE SYNOPSIS

Core Course

Managing IT for Business

Pre-Requisite Course(s): Marketing Management & Accounting for Business Decision-Making

Synopsis:

Information technology (IT) is becoming increasingly important in business. In the Information Age, information is recognised as a requirement to deliver quality business services and to have competitive advantage. The course equips participants with a better understanding in how information system (IS) and information and communication technology (ICT) could support business in an increasing competitive marketplace. A hands-on approach to problem identification in IT implementation and designing a solution is emphasised throughout the course. The topics covered in the course include enterprise systems, social commerce and business analytics and knowledge management.
