AIMS4STAR

CONSORTIUM OF ACADEMIA INDUSTRY GOVERNMENT SOCIETY FOR SYNERGETIC TRANSFORMATION

What we are?

AIMS4STAR is a consortium of Academia (UTM), Industries, Government and the Society synergizing towards innovative solutions and knowledge creation for industry and societal impact.

What we stand for

A symbiotic collaboration model for all stakeholders and members with the aim to support and realize sustainable development and shared prosperity goals at national and global level.

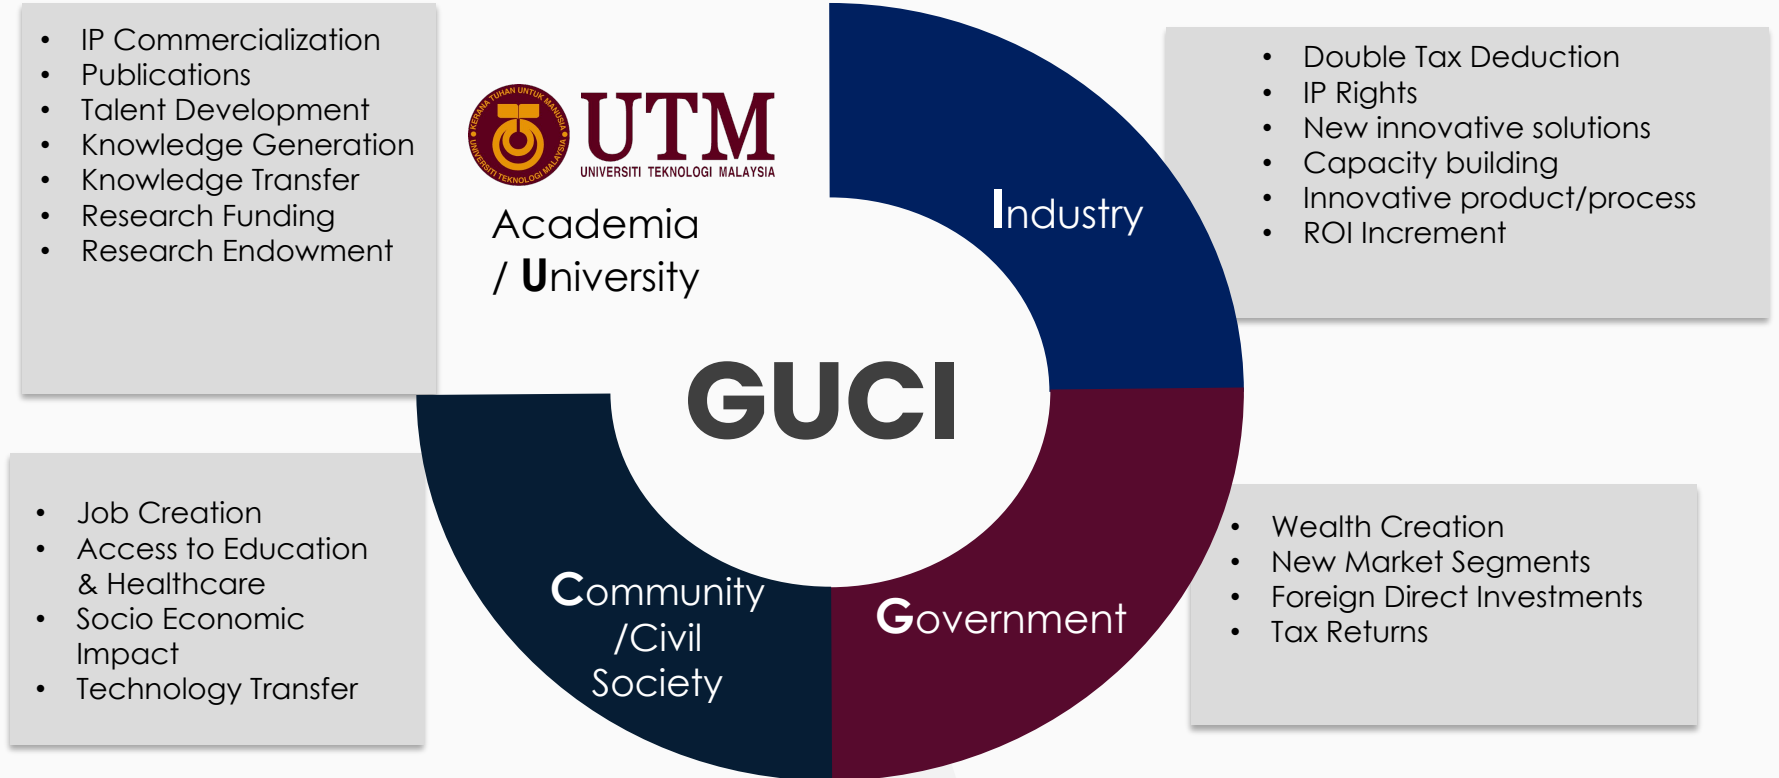

Our Focus

Finding innovative solutions for Industry and Society and creating new frontiers of knowledge via UTM's **5 research niche areas.**

Quadruple Helix Framework

To promote an active and vibrant engagement that cut across industry, government, academia and society; AIMS4STAR adopts a quadruple helix framework in shaping and steering its relations with these entities. Each entity uniquely benefits through the network as below :-

PENGENALAN

Pengembangan ekosistem inovasi yang melibatkan projek penyelidikan yang memenuhi elemen *quadruple helix* (kerajaan, industri, universiti dan komuniti).

OBJEKTIF

1. Menggalakkan para penyelidik dalam mensinergikan kepakaran bagi melaksanakan penyelidikan berimpak tinggi melalui penyelesaian inovatif
2. Mengukuhkan kerjasama pelbagai entiti di bawah ekosistem inovasi *quadruple helix* (GUCI - *Government, University, Community & Industry*) selaras dengan *enVision Moonshot Transformative Journey 2023*.
